## **District Due Process Complaint Form**

This form may be used to submit a due process complaint to resolve a disagreement about the evaluation or change of placement of a student under the Individuals with Disabilities Education Improvement Act.

## Instructions:

- 1. All asterisked (\*) information on this form must be included when you submit a request for a due process hearing. If you, or your attorney, do not include the asterisked (\*) items on this form, it may result in the denial or delay of a due process hearing and the reduction of any attorney's fees awarded by the court.
- 2. At the same time that you send this form to the Commissioner, you must send or deliver a copy of this form to the parent(s).
- 3. As soon as your complaint is received by the Commissioner, the Department will attempt to contact you to identify a mutually convenient time for an initial telephone conference call with the hearing officer. This needs to occur no later than four days from the receipt of the complaint. If the Department is unsuccessful at reaching you, a time and date will be selected and you will be notified by first class mail. If the district is represented by an attorney, he/she should also be available for the initial conference call or have available dates ready for the prehearing conference and the hearing
- 4. Under federal and state law, a school district can raise the following problems in a due process complaint:

**Evaluation** (Issues involving a parent's refusal to consent to an evaluation or the district refused to agree to a parent's request for an independent evaluation.)

**Change of Placement** (Issues involving removal of a student from his or her current educational placement for disciplinary reasons for more than ten consecutive days.)

5. If you have a complaint about one of the items above, please describe it completely and accurately on the attached pages. Remember: It is important that you describe any issue that you wish to have addressed at the due process hearing, and the facts that you feel support your position. If you do not describe the issue you will not be able to raise it at the hearing. Focus on the issues that genuinely have had an adverse effect on the student's ability to receive meaningful educational benefit.
